The Dallas Military Ball, America's Premier Military Ball, Patriot Supporter Program supports military relief programs.

The Patriot Supporter Program is a program for patrons who support the mission of The Dallas Military Ball (DMB). The DMB funds military relief agencies with the proceeds of the Ball and from generous contributions from people like you.

As a not-for-profit entity, we could not succeed without the generosity of people like you.

Becoming a Patriot Supporter of the Dallas Military Ball

The current Patriot Supporter Program calendar runs from January 1 through December 31 of each year. To maintain active status, you must contribute on an annual basis. You can join us by making an annual tax-deductible gift at one of the levels to the right:
