Raanan Horowitz is President and Chief Executive Officer of Elbit Systems of America, LLC, a leading provider of high performance products and systems solutions focusing on the defense, homeland security, and commercial aviation markets. Mr. Horowitz was named as President and CEO in 2007, after serving as Executive Vice President and General Manager of EFW, Inc. since

2001. In this capacity, he leads the strategic and operational direction of the Fort Worth-based company. Mr. Horowitz also serves as a member of the Elbit Systems of America Board of Directors.

During his tenure with the company, he has been instrumental in driving EFW's growth and strategic acquisitions resulting in the defense sector's evolution to providing mission critical systems to over 25 major defense platforms. Mr. Horowitz serves on the U.S. Army Science Board and is a recipient of the Noble Patron of Armor award from the U.S. Armor Association. He also serves on the Board of Directors for the Lone Star Chapter of the National Defense Industry Association (NDIA) and is a member of the Business Executives for National Security (BENS). Mr. Horowitz is also a member of the National Board of Directors for the Leukemia and Lymphoma Society.

Mr. Horowitz received a Master of Business Administration degree from the Seidman School of Business at Grand Valley State University in Allendale, Michigan. He was also awarded a Master of Science degree in Electrical Engineering and a Bachelor of Science degree in Mechanical Engineering from Tel-Aviv University in Israel. He and his wife, Ety, have two children.
